Class History

In September of 1956, 35 green freshies began wandering down the halls of P.C.H.S. They wandered right into home room 104, where Mr. Cheney was sponsor and elected Kenneth Nimmich as president, Barry Granden as vice president, Bill Perdew as secretary-treasurer, and JoAnn Wolters as student council representative. After the Freshman Get-Acquainted Party and initiation we felt more like full-fledged high school students. We had a Valentine's Party that year that proved quite interesting. Dick Parks and JoAnn Wolters were chosen freshman carnival attendants.

When we came back as sophomores in the fall of '57, there were still 35 of us and we felt ever so much wiser than we had the year before. Mrs. Dovel and Mrs. Boellstorff were given the task of sponsoring us and we elected Dennis Crawford as our president, Bill Perdew as vice president, Barbara Brown as secretary-treasurer, and JoAnn Wolters as student council representative. This was a big year for P.C.H.S. because we went all the way to the finals of the State Basketball Tournament. We were especially proud that two of our sophomore boys were on the varsity team. Dick Adams and JoAnn Wolters represented us at the carnival in February of 1958.

At last we reached the state of being upperclassmen. Only 33 of us entered our junior year at P.C.H.S. Mr. Wenninghoff and Mrs. Eckman received the honor of being our sponsors and our dignified officers chosen were: President--Dick Adams, Vice President--Dick Parks, Secretary-Treasurer--Susie Anderson, and Student Council--Karen Glenn and Connie Bowman. We had two big projects. First in November we displayed our dramatic abilities in the play "Love Is in the Air". Dennis Crawford and Linda Warnke did such a romantic love scene!! Then in May, we treated the seniors to a "Hawaiian Cruise" complete with hula dancers and leis at the Junior-Senior Banquet. Also that year four of our girls represented P.C.H.S. as cheerleaders. They were Karen Glenn, Sondra Riley, Susie Anderson, and Merlene Burres. Connie Bowman and Bob Eichenberger were junior carnival attendants.

Finally we reached that long-awaited year and now most of us find that we wish we were freshmen again. On August 31, 1959, 30 of us began our senior year at P.C.H.S. We chose Bob Eichenberger as President of the Class of 1960. His assistants were: Vice President--Dennis Crawford, Secretary-Treasurer--Linda Warnke, and Student Council--Dick Adams, Dick Parks, and Connie Bowman. All too soon it will be May 20th, our commencement day, but we are still looking forward to the senior class play, sneak day, the Junior-Senior Banquet, and Baccalaureate.

Class Prophecy

Dear Diary-

I must catch you up to date on all my exciting happenings dear diary, and I'm sorry that I've neglected you for so long. On June 1, 1985, I arrived in New York by train. Then I went to Idelwilde Airport and bought a "round the world" tour ticket and much to my surprise the ticket agent was a classmate of mine from P.C.H.S., Dale Malia. He told me that another of our classmates, Millionaire Dik Adams was going on the same "round the world" tour.

The next morning we left for foggy London and the trip over took no time at all. Dik and I decided to travel together and see what new adventures we could find.

In London our adventure began. Dik, being well acquainted with England's royalty got us an invitation to a command performance given by the great concert pianist, Karen Glenn.

Our tour took us next to gay Paree and it is a good thing that we weren't there very long. I spent more than I should have on the fabulous fashions created by designer, Barbara Price.

From Paris we went to Rome and found Susie Anderson and Connie Bowman there with their husbands, who are archeologists. Connie is the nurse for her husband's company.

For real excitement we went to the beautiful little principality of Monaco. We found Barry Granden and Kenny Nimmich managing the Cassino and they tried to talk us in to "making" a little money, but I'm not sure it would have been "making" money.

The "Dark Continent" was among my favorite places and we spent one night in an African Village where Linda Warnke teaches home ec. to the native women. She told us that Howard Peckham is a dentist in a medical center in an African village. How exciting their lives must be!

Back in Europe again we went next to Athens. Dik was getting "homesick" for a basketball game so we attended one here and found the "Greek Basketball God" to be none other than Jerry Graham.

After we left Greece, we tried to get into Red China but as this was impossible, we had to settle for Formosa instead. We had dinner there with the commanding officer of the armed forces on Formosa, Dennis Crawford. I guess his leadership must stem from high school days when he was president of so many organizations. His secretary, Betty Henrichson, also joined us for dinner.

While we were in Japan we attended a church service at a mission there. Junior McDougale was the minister and Janice Miller is a nurse at the mission.

After seeing enough pagodas and Geisha dancers, we flew to Hawaii. Our pilot and co-pilot were Bob Smith and Larry Kalina. (They always did "fly" around in cars back at P.C.H.S.). When we got to Honolulu, Bob and Larry took us out to the sugar cane plantation of Bob Eichenberger. As usual, we found Bob surrounded by women, this time beautiful hula dancers.

We believed in extremes and from Hawaii we went to Alaska. JoAnn Wolters is teaching home economics up there and she says that food freezing is her main course.

Continental U.S.A.! Here we went first to California and spent some time visiting with the famous scientist Lawrence Cary, and his left-hand man Dale Mach. We also went to Disneyland and found Jeanette Bausch selling tickets for one of the thrill rides. (Incidentally we rode)!

Down where they say "y'all," "Y'all ought to see all the cattle we saw on Dick Parks and Jim Borchers' ranch. They had just completed the transaction that gave them King's Ranch to add to what they already had!

Home kept getting closer and on our last major stop we became awed sightseers in the beautiful mountain country. Ula Prine and Linda Brown gave us a personal tour of the mountains. They are housewives living in Colorado now.

And time flew on fast and before I knew it I was bidding Dik good-bye at the Omaha airport and was on the bus for dear old Pawnee City. Charlene Marshall met me at the Humboldt Corner, (Yes, she really left her music students that long), and after we got back to P.C. we went straight to "Luke's" (Alice Shinn is secretary there), and I told Alice and Charlene the adventures that I'm telling you now and that I'll tell my English students this fall when I begin my 20th year as English teacher at P.C.H.S. What a summer this has been, dear Diary.

Our School is very fortunate to have an orchestra program. It is one of the fifteen school orchestras in the state.

This group meets twice each week during seventh period. Performances of the orchestra during the year include assembly concerts, district contest, and baccalaureate and commencement exercises.

The orchestra offers its members an education in some of the finest music of the world. From their orchestra experience, students are able to develop a much higher degree of musicianship.

The F.H.A. organization is one of the most active groups in our school.

Their motto, "Toward New Horizons," expresses the purpose of the organization--learning to live better today in order that our lives and those of our families may be better tomorrow.

The colors are red and white; the flower is the red rose.

Together the 34 members work on such projects as beautification, community services, teenage consumers, and promoting safety.

Highlights of the year included the district convention held in Pawnee City and the trip to Crete for five of the officers to learn more about the duties of officers.

Before a boy can become a member of the "P" Club, he has to earn a varsity letter in one of the competitive sports sponsored by the school. The main objective of the club is to promote better sportsmanship and school spirit among the students.

This year the P Club cooperated with the Pep Club in sponsoring a Football Banquet. A Grid King and Queen were chosen by the boys. These honors went to the most deserving P Club and Pep Club members.
